

**BESPOKE POLO
HOSPITALITY**

BRING GLAMOUR AND INTENSTITY TO YOUR NEXT CORPORATE EVENT!

A bespoke VIP polo day is a very special invitation your guests will be super excited to receive. Guests will arrive at the prestigious polo grounds, where a state of the art pitch side facility with the upmost attention to detail will be waiting for you. A full production day where you can brand the tent, shirts, garden facility and even a pony if you want too. On arrival guests will be greeted with a refreshing glass of chilled bubbles, shortly followed by an out of this world, mouth watering, delicious Argentine Asado lunch cooked in front of you from leading world class outdoor chef! Trust us here, it's theatre that will overload your tastebuds! In the afternoon you will make the most of the open bar by grabbing a drink, before taking a seat to watch as professional International players take to the field for an exciting and adrenaline fuelled game of polo, just for you! It's an invitation all will eagerly accept before choosing the right coloured trousers and living out their ultimate Pretty Woman fantasy!

Polo is the fastest ball game and known as the “Sport of Kings”. Often played by professionals, celebrities, royalty and playboys, showing skill, precision, and athleticism of both polo pony and rider. It really is the ultimate team sport and adrenaline fuelled to watch. Guests are welcomed into their private polo hospitality facility by England Polo Player, Lolly Stanhope-White, who will mingle with your guests, answer any questions and explain the rules. Now that really is added value! When it comes to a polo lunch we are not talking just any lunch! Prepare for a mouth watering, finger licking, lip smacking, go back for seconds or even thirds feast, all washed down with fine wines or a chilled beer! After lunch it's time to take to the pitch side for your very own Polo match. Players, will wear your branding, galloping flat out trying to score goals for your team, whilst you cheer them on. The “Sport of Kings” is a magical experience as you watch the grace, determination and incredible team skill of both ponies and players. Watch players with an epic eye for the ball and (metaphorical) balls of steel, battle it out to win, with a Pretty Woman twist. When have you ever done an event where everyone in your group is shouting out loud your company name? As the thrilling match unfolds, the ambiance is filled with the sound of thundering hooves and the cheers of the crowd. The players demonstrate their exceptional skills and sportsmanship, making each chukka more exhilarating than the last. Between the action, guests can mingle in the luxurious lounge area savouring the vibrant atmosphere of the day.

- Substitute the sit down Argentine Asado feast for an informal street food lunch but still in Asado style.
- Remove the British Polo Gin cocktail allocation.
- Substitute for more cost effective wines.
- Remove personalised polo playing shirts and substitute for a set of our own.

SUMMER POLO EVENT MOOD BOARD

OH STOP IT! YOU MAKE US BLUSH!

Thank you for recommending the private polo event. It was the best event we have ever done and I definitely am going to do this again. The food, the drinks, the visual impact, the socialising and the polo were all outstanding.

Your organisation for our polo event was absolutely slick, professional and your team really know what they are doing when it comes to events. Especially polo events! Meeting Lolly and watching our very own match was a highlight; feedback has been the best we have ever had after our annual summer team day.

We chose a polo event for our annual family fun event. This was by a long way the best day we have ever done. There was something for everyone from the creche you set up to the grown up kids enjoying dressing up and the thrill of the match. We highly recommend as it really did provide something for everyone and feedback was to book again for next year. Consider it booked!
